Calcium Metabolism and Osteoporosis Program

Launch of FLS

The American University of Beirut Medical center launches its first Fracture Liaison Service in Lebanon on the occasion of World Osteoporosis Day. This launch was approved by the higher administration as a quality assurance indicator for care for patients with hip fracture and Osteoporosis.

Thank you for your support.

IT’S NEVER TOO EARLY OR TOO LATE TO PREVENT OR TREAT OSTEOPOROSIS

On the occasion of World Osteoporosis Day, the Calcium Metabolism and Osteoporosis Program at AUBMC invites you to participate in the Osteoporosis Day Activity.

Date: Friday, October 20, 2017
Time: 10:00 am - 2:00 pm
Location: Pierre Abou Khater Building (Bldg. 23), first floor

Join us to learn more about osteoporosis, know your risk factors, and participate in exciting activities.

Giveaways will be available.
