The Scholars in Health Research Program (SHARP) director, Dr El-Hajj Fuleihan, presented the achievements of SHARP to FIC Board by invitation from Fogarty Director Dr Roger Glass. This was one of three consecutive presentations by FIC grantees, the SHARP AUB presentation was only one as primary NIH grantees. The meeting was attended by directors or assistant directors of major institutes at NIH including NCI, NHLBI, NICHD, and OWHR amongst others, as well as Fogarty leadership.
